ABOUT THE MERRY PRANKSTERS

In effort to Furthur the vision of Ken Kesey and his Merry Pranksters, our group of artist-based volunteers help turn events into "Parties for Your Inner Child" by bringing

merriment and fun, and creating a visual feast of lights, sounds and silly shenanigans.

Prankster Productions shares the psychedelic experience with the public through stimulating visual art, wild, colorful lights, costumes, face-paint, toys and audience participation, inviting the silly child inside everyone to come out and play. By bringing the group's power of imagination and creativity to the forefront, we seek to use events to remind people of simple delights and the power of participation to create ripples of change. By encouraging love, acceptance and art, Prankster Productions is sure to turn any event into an enchanting, delightful time!
